July 30, 2022

Beloved in Christ,

Grace and peace from our Lord and Savior Jesus Christ.

We have been praying for you as we also trusting that you are praying for us. Due to global pandemic course by covid 19, most of us have been going through painful experiences. This painful disease has affected people of all social strata including the President of USA. So many of us are grieving. Mary and I lost two members of the family and a faithful tenant who rented our property for 15 years and never failed to pay his lent even in the month of his death. The lock in resulted to social and economic problems, Yet James encourages us to: "Consider it pure joy when you undergo trials of many kinds because you know that the test of your faith develop perseverance, perseverance must finish it work so that you must be mature and complete not lacking anything". James 1: 2. Most of the time a painful experience take us to another level. In July we celebrates three birthdays. I was born on July 27. I was born again on July 13. 1958; All Nations Christian International ministry was officially registered in Texas on 7/27/2007. All these birthdays were not without pain. My Mother who had a great sense of humor witnessed my first birthday party when she was 87. As she observed her son getting a birthday present, she said: "Oh, the gift is going to the wrong person. I am the one who went through the labor pain."

As you read this message, you may be going through a painful experience. I have to assured you that God new about it long before you were born. Be assured that if you suffer with Christ, you will also be glorified with him. Be encourage by the word of God: “The Lord is my light and my and my salvation; whom shall I fear?” “The Lord is my shepherd; I shall not be in want. He anoint me with oil; my cup overflows.” And as Paul puts it: “For me to live is Christ and to die is gain.”
