

## **A VOICE OF ALL NATIONS 9/11**

### **911 PAIN AND RECONCILIATION**

9.11 2001 was one of the most painful day in American History. As it is with all our painful episodes, most of us remember where we were and what we did on that day and week. In my case, I was Chaplain at WT University and Vicar at St George's Church. As my wife and I were watching the horrifying new in TV, we had a knock at the door. It was a Police Officer who informed us that a member of our church, who was the Treasurer was very sick at BSA hospital. I drove as fast as I could. Arriving the hospital, I was informed that he was clinically dead. I prayed for him that God my revived him and he came back to life. The Spirit led me to pray for another patient who was also declared dead, and he came back to life. This was the very first time that God used me in this way.

The following day, both students and the faculty gathered at the Pole with American flag and prayed and sung Christian songs. It was raining but we neither cared about rain, or Madeleine O'Hair with her Supreme court who ruled that it was against the law to have anything religious in public place. This day, we boldly claim our religious freedom. God filled us with boldness and he did as Peter and John did when they were commanded by the Jewish supreme court not to speak about Jesus. Peter responded: "Judge for yourself whether it is right in God's sight to obey you rather than God. For we cannot help speaking what we have seen and heard." Acts 4:19

The following week I was led by the Holy Spirit to organize a community forum with Muslims and Christian lecturers as panelist. The Muslim teacher informed that what the terrorist did was not in keeping the religious ideal. The Christian faculty reminded us about Christian ideal. The forum brought a better understanding between Christian and Muslims.

Thus, the message which we learn from 9-11 is that we should love one another and preach the message of reconciliation. As the Bible puts it : "all this is from God who reconcile us to himself through Christ and gave us the ministry of reconciliation, that God was reconciling the whole world to himself in Christ, not counting men's sin against them. And he has committed to us the message of reconciliation." 2Corinthian 5:18-19. We invite those in Panhandle to join Ambassadors for peace at ANCCI University on Sundays at 2pm at 900 Nelson at 10<sup>th</sup> St. Amarillo, TX 79104.
