

A VOICE OF ALL NATIONS PATRIARCH AND 7 ANGELS OCTOBER 2020

PATRIARCH AND SEVEN ANGELS

Patriarch felt a great desire of participating on global prayer walk on 8.27.2020 which was held at Canyon, Texas. The event which included churches in Canyon, Texas were praying for peace in the world. It started from the Baptist Church to walk around the city. The walk started with prayer. Patriarch prayed raising his hand and felt a heavy presence of the Holy Spirit. Walking for about half mile, he fell and couldn't raise himself up. Two angels raised from the ground. The third angels prayed for him. The fourth angel told him that she would go and bring her car to take him to his car. The fifth angel name sue volunteer to stay with him while he was waiting for the ride. He needed some where he could sit. The six and seventh angel who owned the home where Patriarch was standing told him that there are chairs outside for you to sit on. Within 20 minutes the angel who had gone for the car came and took him to his car. He then drove home and was treated by his wife.

Guest what! All the seven angels were white, and Patriarch is black. These angels made him experience the love of God. They remind us the word of God: "by love serve one another." Civil unrest, bitterness which we are witnessing has nothing to do with the color of the skin. It all has to do with sin and godlessness in the majority of people in global village. God is using coronavirus to put us on our knees so that we may repent of our sin and be cleansed by the Holy Spirit so that we can bear the fruits of the Holy Spirit

When our lives are filled with the Spirit, we demonstrate brotherly- and sisterly love. We welcome and entertain our neighbors. We love them dearly. We accept them as they are. We are pleased and contented with them in spite of their weaknesses. To have the love of the Holy Spirit means to have a warm feeling towards other persons.

Love means forgiving. Jesus showed this love on the cross. He prayed for those who were torturing him: "Father forgive them; for they do not know what they do." Luke 23:34. The love of God reconciles us to one another. It also gives us humility and courage to serve. Thus, at this challenging time, let us love one another for God is love. He loves us so much that he gave his only son to die on the cross for our sin.
