

A VOICE OF ALL NATIONS

WHAT IS YOUR NUMBER?

Did you know each one of us has his number? Whenever I go to check in the hospital, I am asked to give my birthday date. By give them my numbers they get all the information about me. Today,(12.27.2021) as I was reading and meditating on the Saint of the day I learned that John the Beloved disciple is celebrated on my birthday. So, I learned that we share the same name and the same number. I was born July 27. All Nations Christian Church International was officially registered in Texas on 7. 27. 2007. We were given 501 C 3 the following year and was backdated the same date. The other number is the one which is regarded as unlucky number in USA. That is 13. This is my most blessed number because I was born again on July 13, 1958. In Apostolic succession, I am JOHN X111. Which means all the patriarchs who were named John before me were 12.

Amazingly I have so many threes in my life. I start the day by drinking water with lemon, ginger and garlics. Mary and I must start the day with three types of fruits which may include pawpaw, apple, and grapes. When the loving father commanded me to write a book on *THE HOLY TRINITY AND US*, my big question was: "how can a creature write about the Creator of all that is who is revealed as one in three? The All-Knowing Father asked me: Don't you have three brothers in the Holy orders who belong to the same parents? Look at your wedding photo. You are three Church Army Captains. There are three flowers' girls. In attendant there were three African nations- Lua, Luo, and Kikuyu and three European nations- Your wedding celebrant was Australian Bishop, the wedding cake was provided by a British lady, and your honeymoon mansion was provided by an Irish Presbyterian Pastor. As analytical Psychologist don't you claim that you have 1 consciousness 2. Personal unconscious and 3 collective unconscious. I also remembered that I like putting three crosses before my name which symbolized three crosses during the crucifixion of Jesus.

However, there are special things about John the Apostle. In the Gospel he is described as the disciple whom Jesus loved. He rested his head on Jesus' breast during the last supper and was the only disciple with Jesus during the crucifixion and was given the responsibility of taking care of Jesus' Mother. But more importantly he preached the message of love. From him we hear: *"For God so loved the world that he gave his only Son. That whoever believes in him should not perish but have everlasting life."* His Gospel more than other Gospels emphasizes Jesus's affection. It is reported that John repeated the subject of love so much that one of his disciples asked him: "Don't you have another subject?" To this he responded: "I will change to another subject when you master love." John teaches us to have a mission statement. ANCCI mission statement is: "Empowered by the Holy Spirit we preach the Gospel to all Nations."
