

## **A VOICE OF ALL NATIONS**

May 2020

### **FEAR AND PROVISION**

My fear was articulated by a dream in which I saw, Isaac my only son, looking like a small white woolen dote on the ground. As I was trying to reach out to him, he disappeared in the ground. I dug the ground searching for him three times and all the times I was seeing three big rats. Being analytical psychologist, I checked the meaning of dream and found that rats symbolizes fear. Being also a prophet to the nations, I was empathizing with both Isaac and global children who are suffering physically, psychologically, socially, economically. My son who is a chief Chef was jobless. I was scared of consistent notification from my back about the returned checks for insufficient fund two of these were from the bank which has given us loan for our home and the only car which we have. So, we were scared of being homeless and without a car. A tough thing for a Patriarch and his wife.

Surprisingly, the Angel of the Lord appeared in a nick of time. The first angel came from the very bank that I was scared of. When they called, I ask them whether they would give me one-month grace period. They told me: "We will give you three." The other provision came from my brother Gideon which helped us to have balance in the bank. We were also visited by Christ Fountain, ANCCI Dallas who give us food for the whole month and give us word of encouragement from Evangelist Rahab and Dr Gatungu. And Yesterday, we received a joyous message from Isaac that he got a job.

Thus, the Lord will allow us to be between Pharos's Army and the red see so as to demonstrate his power. So, whatever you are going through, don't give up. Trust in God and he will supply your need according to his riches in glory by Christ Jesus. Remember and trust his words: "The lion my grow weak and hungry, but those who seek the Lord lack no good things."

We are delighted to inform you about the new release of our book entitled **THE GOSPEL TO ALL NATIONS**: which consists of sermons based on the Revised Common Lectionary used by Roman Catholic and Protestants.
