

## **A VOICE OF ALL NATIONS**

### **BUILD UP ONE ANOTHER**

**At this pandemic time, we should build up each other. I praise God for giving me a wife who has this gift. After 44 days of going through radiation which was making me feel so weak, Mary found me in the study room where I was staring at the papers. I told her in Kikuyu: “Tarora gathuri gaku uria kangetheire maratathi” which translates: “Look how you little husband is staring at the papers.” “You are not a little husband. You are my husband and you are a gentleman. I love you”. And then she hugged me. I felt uplifted and encouraged.**

**At this time of ever exaugurated power of China and covin-19, we need to fight back by building, affirming and encouraging one another. The word of God puts it this way: “if there is any encouragement from being united with Christ, if any comfort from his love, if any fellowship with the Spirit, if any tenderness with compassion, then make my joy complete by being likeminded, having the same love, and being one in spirit and purpose. Do nothing out of selfish ambition...but in humility count others better than yourself.” Each of you should count other better than himself.” Philippians 4:2-4. The word of God is challenging us to be encouragers, comforters, compassionate and not to be self-centered.**

**People who are locked in without food, water, and electricity requires to be set free to go to work. We need to pray for the government not to be too punitive to the people who are suffering of hunger. As Christians, we need to pray and to affirm each other and I believe, the Holy Spirit can replace fear with joy and the power of the ministry. Let us pray for one another in Spirit as our Lord Jesus advises: “God is the Spirit and his worshippers must worship him in Spirit and in truth.”**

God causes all things to work together for good to those who love God, to those who are called to His purpose. Romans 8:28.**

**Thank you, pastor Peter, for your prayer. We received this message while Mary was having slippers and was wearing a shirt which you gave us. You, your family and grace ministry are in our prayer. ++John**
