

## **A VOICE OF ALL NATIONS**

**July, 2018**

### **JULY IS THE MONTH OF BIRTHDAYS**

**We know that the creation has been groaning as in the pain of childbirth right up to the present time. Not only so, we ourselves, who are the fruits of the Spirit, groan inwardly as we wait eagerly for our adoption as sons, the redemption of our bodies. Romans 8:22-23. As I have shared before, July is my birthday month. I was born again in July 13, ANCCI was officially incorporated in Texas on July 27, 2007 and was given 501(c) 3 by the Federal Government on the same date. Mothers know that there is no birth without pain. My mother used to tell us that she was the one who deserved birthday present because she was the one who groaned in pain. Being born a researcher, at the age of 6, I wanted to know how mothers give birth. So, my mother had to give birth at home assisted by my maternal grandmother. Scouted she, groaned in pain. Being an initiated woman, she could not cry or scream, but face pain with courage. Gideon, the child who was born, eventually rose to the highest echelons of academia and ecclesiastical authority. When the faithful Anglican in the USA were looking for orthodox African Bishop, Gideon became one of the Bishops. Before he was called to this ministry, I saw him in the night vision swimming mightily against the tide. He had five churches in the USA which included St Cyprian's, which is the mother of All Nations Christian Church International. We had canonical residence with the Diocese of Thika. Interestingly, I had to present the candidates for confirmation with these words: "Father in God, I present these candidates for confirmation."**

**Jesus has called us to bear fruits. He says: "I am the vine; you are the branches. If a man remains in me and I in him; he will bear much fruits." My fruits include winning people for Christ, Mission, starting new ministries and planting churches. Most of the time the birth is preceded by pain. When the process is taking place, I groan and ask "why" questions. But when the child is born, I discover that God was behind the scene and was leading me from grace to grace and from glory to glory. (see *MINISTRY TO ALL NATIONS*) So if you are going through birth pain, as was with my mother, face the pain with courage. You will later discover that God was moving you to a higher level. Own Jesus promise: "I am with you always, to the very end of the age." Mt 28:20**
