MISSION WITH AMAZING GRACE

Palm Sunday, Last Supper, Good Friday, Holy Saturday and Easter which are Christ's great events are demonstration of our earthly pilgrimage. We go through exaltation, betrayal, rejection, laid off, physical and psychological suffering, if you are suffering in Christ you will be glorified with him. So, whatever you are going through now, do not lose heart for at the end of all things, you will be in heaven,

where there is perfect peace, perfect love, and perfect joy.

Our mission to Kent, Seattle was characterized with the surprises of the Holy Spirit. We were met at SeaTac air port by the people of God who were lead by Rev Elijah Karanya who greeted us with amazing grace. As were singing I was remembering Mary's (my wife) mission statement. "The will of God cannot take us where the grace of God will not protect us."

We were awed by the unique quality of the Anglican Community Church. They have the spirituality of the early church which is described as: "They broke bread in their homes and ate together with glad and sincere hearts.... And the Lord added to their number daily those who were being saved." Acts 2:46-47 For only three days we were hosted by five families in their homes. Beside enjoying healthy meals, we had time of sharing our stories. Mary and I were amazed by the way we saw ourselves in their stories. For those who were over forty years, they were beaten in school and if reported to your parent, the parent will beat you for being beaten by the teacher. I still remember being beaten when I was in third grade for allegedly swimming in the river and I reported to mother, she laughed and said: "the same thing happened to me and the person who did that is your father. " The reason being was because it was believed that you will kill the missionary fish in the river. We also learned that church and school were put on the highest plane in the family. And this is why 80% of the Kenyan are Christians. We are most grateful to the Missionary and the first generation of Christian.

The unique qualities this include having four theologically educated priests who are ministering, inclusion of many Kenyan communities and even Anglo American, combination of traditional liturgy with contemporary gospel songs, generosity to their Father Mother in God which was demonstrated by inviting them to their homes and the love in love offering. Mary was given flowers. The amazing grace enable us to do so many things in one service; launching of the church, officially receiving the for priests in All Nations Christian Church International, infant and adult baptism, confirmation, receiving American Anglican Men Association and Mother's Union and celebration of the Holy Eucharist. All glory to God.
