

A VOICE OF ALL NATIONS

November

ALL SAINTS

I am so thrilled as I prepare this message after getting a trillion thumps up from the FB for having Bishop Gideon Githiga as a friend in the FB for one year. Gideon being a baby brother has been my friend since our childhood and we never had a fight. He followed my footsteps, became a doctor of theology and taught at St Paul's University where I taught for five years. Being taller than I he outran me and became a bishop before me and eventually, he became my bishop and had to come all the way from Kenya to Amarillo, Texas for confirmation service. The most humorous event was when I had to present a candidate for ordination to him with the ACK formula: "Father in God, I present this candidate for ordination."

The most rewarding experience was a celebration of the new ministry-**Christ Fountain Church, ANCCI** in Dallas on October 22, 2017. The Church was planted by Father Joseph Gatungu, who was ordained by Bp Gideon. The congregation has less than six-month-old yet the service was attended over two hundred congregants. More importantly, there was heavy anointing of the Holy Spirit. Mary and I experienced the love of God and were also accorded amazing hospitality by the congregation and Sam and Margaret Wachira who hosted us. We received precious gifts from the Church and the Mothers Union. May the Lord richly bless Christ Fountain Church

I am writing this message on **All Saints Day**. The Bible defines the Saints as: "These are they who have come from great **tribulation**; they have washed their robes and made them white in the blood of the Lamb". We have indeed witnessed the suffering of the Saints in the USA and all over the world. Eight innocent persons died in New York on Halloween day. Twenty-eight were gunned down in the Church in Texas. As you read this message you may be one of those who are going through tribulation. Mary and I went through tribulation before and after fruitful mission. Satan who is both foolish and crafty employs the same method- "Kill, steal

and destroy.” AS we were preparing for mission to Dallas, he stole our money and when we returned we found one of our tenants has destroyed our rental property and run away without paying the rent. The enemy is foolish because has done this several times, but we end up being victorious. May Fellow saint, you may be going through suffering; but be assured that the Lord is with you and will bless you immensely. As Apostle John tells us: “Greater is He who is with us than the one who is in the world.”

We are delighted to inform that our book entitles: ***THE HOLY SPIRIT: The Greatest Promise and the Greatest Gift of All*** is hot from the press. You can get this book together with **CHRIST AND ROOTS** by sending a donation of \$30 or more and ask for the book.

We invite you to enroll at **ANCCI UNIVERSITY**. The good news is that the first 10 applicants will get a copy of *THE HOLY SPIRIT* when they pay their tuition.

Finally, pray for our upcoming mission to Kenya. We will be holding **JESUS AND MARRIAGE SEMINARS**. Your donation will be greatly appreciated. Make your tax-deductible check payable to **ANCCI and mail it to P.O. Box 19805, Amarillo, TX 79114**.

May the Lord put you in the palm of his hand,

++John G Githiga
