

## **A VOICE OF ALL NATIONS**

**March 13, 2018**

### **MISSION FULL OF SIGNS AND WONDERS**

**On March 3, 2018 Mary and I were on mission to Lowell MA to attend second anniversary of Ezra Christian Radio and awarding Doctor of Divinity to Rev John Mwaniki and Naomi**

**Mwaniki. Inquiring about the weather, we were informed that it was snowing and raining. We prayed that God give us a good weather. We missed the flight and the second flight will arrive Boston at the midnight. The first sign and wonder took place at Chicago airport as we were waiting to board the plane. Across to where we sat was African America women with a baby boy. The baby cried as loud as he could. The mother held him in her breast and communicated a positive attitude until the baby was quiet. I quietly appreciated the way the mother was handling the baby. A divine voice whispered to me. She is a great mother and the child will grow to be a great man of God**

**When we were boarding the plane the mother and the baby proceeded us. As I was passing the baby looked at me with great smile and held my thumb tightly as though he was saying: "I will not let you go unless you blessed me." I then blessed the baby and told the mother: "this boy will be a bishop."**

**The mother of the baby reminded me how my mother dealt with me when I was a little boy. If I would cry she soothed me with words: Don't cry my papa (father). She referred to me as father because I was named after her father. The community spiced it by nickname Mom Wagatungu (Gatungu being my given name and maternal grandfather's name. The name means that she is my mother and my daughter. Interestingly four of my titles-Papa John, Father John, Abuna, Padre, Patriarch- means Father. Interestingly we learn the attributes of God from the mother. The baby boy who was crying and the mother positively soothed him was learning that the creator is a God of all comfort who comforts me when I am hurting.**

**In addition to celebration of second anniversary of Ezra Christian Radio Rev John and Pastor Naomi Mwaniki were awarded Doctor of Divinity were awarded Doctor of Divinity Ezra Bible class was launched. Dr Mwaniki who teaches Biblical studies and is referred to by his students as Professor was officially promoted as Professor of Biblical Studies. The service which was so uplifting brought together Christians from all church families. This was in keeping ANCCIU belief that the church, in the deepest sense, is one. For more**
