

A VOICE OF ALL NATIONS NOVEMBER 2015

I am overwhelmed with joy as I write this message for the great work which the Lord is doing among and through us. In a night vision, the Lord revealed to me the quality of the brothers and sisters who are being used by the Lord. Jesus described them in Matthew 25. These are wise virgins as opposed to the foolish. They have oil (oil stands for the Holy Spirit) and so their work stems from the empowerment and the lead of the Holy Spirit. Being obedient to God, they use their talents to the maximum. That is they use their TIME, TALENTS AND TREASURE for building up the Kingdom of God. Unlike goats which are proud and unruly, they are humble and productive. And so at the end of all things they will hear the incredible news: "Well done, good and faithful servant! You have been faithful with a few things: I will put you in charge of many things. Come and share your Master's happiness." Since these humble servants of the Lord are led by the Spirit, they are driven by love and don't expect anything in return. But the King of Kings will surprise them with this words: "Come you who are blessed by my Father, take your inheritance, the kingdom prepare for you since the creation of the world. For I was hungry and you gave me something to eat; or I was thirsty and you give me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me...Whatever you did for one of the least of these brothers and sisters of mine, you did it for me." Thank you so much for accepting to be led by the Spirit. In words of St. Paul, you do good work because you are a child of God for those who are led by the Spirit are children of God. ..If children, you are heirs-heir with God and co heirs with Christ, if indeed we share in his suffering in order that we may also share in his glory. Rom 8:14-17. The reports from our ministers are about their joy and suffering with Christ.

SUNDAY SERVICE AT BUNGOMA CHURCH:

This Sunday, instead of starting with praise the worship the Lord led us to start with prayer session and sermon. The Lord surprised us with signs and wonders. A couple marriage was restored, a woman who was possessed by the evil spirit was healed, a baby who had asthma was healed and a woman who had back pain was healed. Praise the Lord.

Dear Our Bishop John

We are writing to give a praise report of the great work of the Holy Spirit during the Gospel crusade. A woman who is a Hindu who had spinal cord problems was healed and committed herself to Christ. Another woman who had swollen feet and has gone to many hospital was healed and another woman who was possessed by the evil spirits was delivered. Praise the Lord.

SIGNS AND WONDERS CONFERENCE

We experience a heavy anointing of the Holy Spirit in the conference which was held in Mission/Patriarch Cathedral in El Paso, Texas. There was healing miracles. Resting in Spirit, sharing and fellowship and teaching. We learned that the Purpose of the Holy Spirit is to give us power to witness, to glorify Christ, to reveal the Scriptures, daily guidance, holistic life, entering us to supernatural realm and out pouring If love of God in our hearts. Those in Christ, not only that God performs signs and wonders through them, but they are also signs. A big thanks to Bishop Tom and Sonia and the lovely brothers and sisters of Word of Life Church.

Dearest Patriarch +++John,

I am delighted to inform you that we shall be celebrating 15th church anniversary on November 29, 2015. Over the years we have experiences UPS and DOWNS. For instance some people deserted because they were against me as a pastor, what I preached and my leadership style. Despite of all trials, temptations, hardships and persecutions we are superseded by God's goodness and faithfulness. Praise the Lord.

Beloved Bishop Stephen and Sonia,

We praise God always for your dedication in God's ministry. Your UPS and DOWNS are very much like what Mary and I have gone through. This is what Pastors who follow the footsteps of Jesus go through. I like the way Apostle John writes about the deserter: "they left us because they did not belong to us, for if they belonged to us they would have stayed with us." Ours is to keep on keeping on. We have to keep on fighting the good fight. Never give up! Be encouraged by the words of St. Paul: "Therefore my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain." I Cor 15:58. We will keep you in our prayer with regard to your great occasion.
