THE DAY OF THE LORD

Devastation of hurricane Harvey is almost unprecedented. Thousands of people in Texas and Florida have lost their homes and properties. A good number has lost their lives. Evacuations centers are congested. You can imagine what it feels. Yesterday you had a home and everything was under control. Today you are homeless and destitute. This calamity was preceded by solar elapse and rumors of war. These are signs of the day of the Lord which is predicted by the Bible:

“Sun will be turned to darkness and the moon to blood before the coming of the great glorious day of the Lord”. As we pray for the relief and recovery of the people who are affected. Let us pray that the Day of the Lord will result in what the Bible prophesy: “And every one who calls on the name of the Lord will be saved.” Acts 2:20-21. We thus pray and believe that there will be universal out pouring of the Holy Spirit: “Afterward I will pour out my Spirit on all people. Your sons and your daughters will prophesy, and your old men will dream dreams and your young men will see visions.” Let us all open our heart for the Holy Spirit and be ready to be used by the Holy Spirit.

Dear Monica,

Thank you so much for your prayer and concern. Our area is not affected, but our daughter, Ray, who live in Huston, is in affected area. Her area was not badly affected, but they cannot get out of the house. So, pray for her that she may have a deeper spiritual experience. Give our love to your husband and the children.
