

## BETRAYAL

*Even my close friend, whom I trusted,  
He who I shared my bread,  
Has lifted up his heel against me. Psalm 41:9*

Did you know wherever Satan want to hurt you most he uses you a friend whom you trust or a member of your family? Did know Judas who had to betray Jesus, was entrust the most important office- finance which we regard as lifeblood? Did you know the name Judas and Jude (the brother of Jesus who wrote *Jude*) are the same? Thus Jesus grew with that name which has eventually to betray him. Did you know that David, the write of the above message what hunted by his father in law?

So my friend, if you had or are being betrayed by a member of your family or a close friend, you need to know that you are not alone. The same happened to David and Jesus and the writer of this short message. It hurt! But this should not be an excuse for not trusting the Lord. Stay plugged in Him. Don't lose your integrity. Pray with the Psalmist: "In my integrity you uphold me and set me in your presence." Be also assured that if you stay plugged in the Universal Spiritual energy, you are unconquerable. So you need to sooth your soul with God's word: "The Lord is my light and my salvation - whom shall fear? The Lord is the stronghold of my life - of whom shall I be afraid." Psalm 27:1
