

## BIRTH AND TRANSFORMATION

### NEWS LETTER JULY 2019

For me July is the month of my birthday. It is also the month that my brother Habel and I were born again 61 years ago. After second birth the Word of God instructed us to take care of the body which is the temple of the Holy Spirit. So no smoking or alcohol and drugs or sexual immorality. So still in the after afternoon of our lives, we are still very health and full of energy of serving God and human beings. Habel who is now 81 has never gone to Hospital. As he told me the other day: "good health is one of the greatest gifts". All Nations Christian Church International was chartered in Texas on 7.27.2007. Note there are 3 sevens. June and Randy combined birth day party which included, Margret(sister in law) and Angelina who have similar number with me. She was born on 7.27. 67.To spice it All Nations Christian Church International was chartered in the state of Texas on 7.27.2007 with a vision statement: "Empower by the Holy Spirit we preach the Gospel to all nations." It is thrilling that after 12 years ANCCI is in every continent with over two million members. In this month we also commemorate St William Wilberforce whose mission statement was "Never, never will we desist till we have wiped away this scandal (of slavery)...and extinguished every trace of this bloody traffic. A disgrace and dishonor to our country." After debating for 20 years the bill was passed outlawing the slave trade and by the time, he died on July 29,1833 seven hundred thousand slaved were liberated. On behalf of the people of African descent, we express our gratitude to St. William and St. Abraham Lincoln who worked tireless to liberate us .Lincoln died for fighting for emancipation of Slaves and for Union of both Northern and Southern states. He succeed in the creation of the Government of the people, by the people and for the people.

It is now our mission to liberate and decolonize the mind. This mission was fueled by the students who boycotted my class at St Paul's University, Kenya in 1983 because all books which were available for me to recommend were written by Western theologians. So eventually I had to come to the USA and have been writing books from the African evangelical perspective. Our recent release are SYSTEMATIC THEOLOGY: An introduction to the African to Theological Voice and 70 SERMONS: Liturgical Preaching. see [www. drjohngithiga.com](http://www.drjohngithiga.com)

I do believe that Christ will surprise you with these word: "Come, you who are blessed by the Father; take your inheritance, for I was hungry and you give me something to eat; I was thirsty and you give me something to drink; I was a stranger and you invited me in, I needed clothed and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.
