

BISHOP'S CAR IS STOLEN

June 29, 2018

After parking my car at the Poster Office, Western, Amarillo on 6.12.2018. As I was walking to PO Box, the Holy Spirit reminded me the words of Jesus: *"The thief comes only to steal and kill and destroy; I have come that they may have life and have it to the full."* John 10:10. After picking up the mail. I walked with man who had gently held the door for me when we were entering and I couldn't believe that my car was not there. As I was thinking that it was not real, the man asked me, "Where is your car." "I don't see it." I didn't know what to think. The man who assured me that the car was not there became my first angel. He advised me to call the Police and give them the detail of where I was and the VIN number. Apparently, my pone was dead.

So, I went to the Happy Bank and reported to the Destiny who called the Police for me .and inform the officer where I was. When I was waiting for the Police, Destiny and Debbie were giving me pastoral care. "We know you like coffee; do you prefer coffee or water." "Cold water please." I need something that could cool me down. When the officers arrived, I was still in a shock. I couldn't remember either the license detail or the vehicle identification number. The officer became my second angel. He calls my insurance company and got all the required information. He asked me whether I had left the keys in the car and I showed him the key. It was stolen by professional thieves. I then filed the case with the officer. After reporting to the officer, I asked Debbie and Destiny if they could call Taxi for me. Debbie surprised me when she said: "I will take you home." So, she drove me all the way from Amarillo to Canyon. And thus, within a short period, I had four ministering Angels

As you read this message, you may be going through spiritual warfare. What should be your reaction? James advises us to count it as a blessing when we go through various trials. Paul assures us that we are more than conquerors and the Apostle John tells us: Great is He who is in you than the one who is in the world. My prayer for the thieves was: "God, do not give them peace until they repent. The Bible says: "There is no peace to the wicked."

I am most grateful to the angels who came for my help. Let us all take Jesus at his word: "I Came that they may have life and have it to the full."

On the seventh day I was surprised by a call from Office Ray: "Your car has is found and you can get it at Competition Towing.". Mary and I drove there at once and we were surprised to find our car with all the valuables. Nothing was taken and we learned that the thieves returned the car at the poster office on the third day. It may be one of the astonishments in heaven will be meeting these thieves. And in heaven there will be no bad memory. We will all experience perfect love, perfect peace and perfect joy
