

MISSION TO KENYA 3.14-4 19 2023

I am most grateful for your prayer and financial support for our mission to Kenya. My son Isaac and I had enormous travelling and ministry grace. We had blessing of ministering in the Thika and Nakuru Dioceses. We also had celebration of the life of my beloved wife Mary Githiga at Thika Memorial Church which was attended by the family members and friends. I felt the presence of the Holy Spirit which put me into my prayer language which is tear.

ANCCI University at Embu Campus was a celebration of achievement. Praise and worship was led by Wakurinu, who are most indigenous church and there is no English name for them. They sung aloud jumping and dancing They indeed made the graduation very special. The Embu campus is the most ecumenical. We were also hosted by District Commissioner, Mr. and Mrs. Moffat Mureithi Kangi at Issako Garden. A great thanks to Vice Chancellor Bishop John Njeru and his team.

We were surprised by travel agent who was driving me to the baggage claim. He was an Indian American who after introducing himself to me told me that he is a Christian. When I told him that I am a bishop he started singing:

I have decided to follow Jesus

I have decided to follow Jesus

No turning back, no turning back.

Arriving at Amarillo, we were so surprised that we did not have jetlag.

God is indeed gracious.
