

SURPRISED BY THE HOLY SPIRIT

April on May 2019

I was awed by the way God fulfilled the vision of ANCCI during our recent mission to Kenya . Our vision statement is “Empowered by the Holy Spirit, we preach the Gospel to all nations.” . The major objective of the mission was establishment of the centers of ANCCI INSTITUTE which are equipping the Saints for ministry. The Lord helped us to establish two centers, one in Thika and the other in Gatunduri, Embu. Unlike all theological institutions I have taught for the last 39 years; the classes start with praise and worship. On one occasion, I fell into the old habit of starting teaching without prayer. I was interrupted with the student: “we have not yet prayed.” And so, we prayed.

The Lecturers included Dr Stephen and Dr Sonia Villaester from Philippines. Employing Philippine cultural ethos which allows for discussion and debate they were greatly appreciated by the students. Teaching by asking and answering quest is the method which we apply in ANCCI University which maintains that the most effective method of learning is the meeting of meanings between the teacher and the students. We witnessed sign and wonders at Christ Healing fellowship. Beside praying and singing in Spirit, several people were healed. Bishop John Njeru who has a gift of healing prayed for the sick and were healed. Two expectant mothers called the bishop and asked for prayer for safe deliver and they both had safe delivery. Better still, we had Christian from different detonations and the key people in the community who were all determined to be the pioneers of ANCCIU.
