TO ALL STUDENTS

We pray that all is well with you.

We are writing to inform you that the classes will resume on January 12, 2018. The registration will take place on January 5, at 5pm and 6th at 9.00. The Board of Regents has resolved that the student must register and pay the fees before being the class. We encourage you to recruits other candidates to enroll so that you may get credit. Online students can register any time and start their studies right away. As you may know, for every student that you recruit you get \$50 credits.

May the Lord be with you.

Dr. John G Githiga
President, ANCCI
