ROSE Model

“DIVINE HEALING COURSE

Instructor : Most Rev. Elias John Kombo

RATIONALE

This course is one of the pillars to the ministry of Jesus Christ, and is also the cornerstone of divine health. If you are venturing into this course for the first time we have started with basic principles of Knowing Your Rights first. You will have had a glimpse on the work of Christ concerning Preaching, Healing and Deliverance, which took the center stage in the ministry of Jesus Christ for the span of three years preceding his crucifixion. The study will enhance your interest in dealing with sickness, demonic oriented infirmities and widen your scope of faith in application of the scriptures. The course will give you the mandate to know and practice your rights as Jesus said that: *“He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father”*

OBJECTIVE

We will view the pastoral ministry in light of Divine healing and Deliverance of all those under demonic captivity. The subject of Divine healing prepares us to learn flexing the muscle fibers of our faith into action. Whenever medical science fails to achieve our health expectations, then divine intervention is necessary. Divine healing is provided for in the redemption plan of God to humanity. This course is not opposed to medication but seeks to enlighten a number of people who are uninformed on Divine Healing. This understanding confirms the medical jargon that: *Doctors treat and God cures.*

STRATEGY

We will view the prepared materials entitled **“Know Your Rights”** and **“Healing Study Cases”** to identify practical experiences of life applications during Jesus’ time here on earth. We will apply various doctrinal prescriptions from the scriptures to enable us know our rights and apply the same on day to day lifestyle to achieve tangible divine health in keeping with the scriptures.

EVALUATION

The instructor will use various tools to grading papers such as,

a) Study case/ Research paper

The students will be required to write a paper on **Divine Healing** using “Know Your Rights Study Materials” enumerated in conjunction with “Healing & Deliverance Case Studies.”

In the paper the candidate needs to portray how God, and Man relate in Divine Healing against demonic schemes and machinations of Satan.

The size of paper will be 15-20- pages double spaced. The recommended books will be suggested and more details given when a student submits the topic for approval.

b) The College may give an optional written examination, where necessary, which the faculty will determine the format of the paper at the end of the course. More details on examination preparation and format will be provided from ANS.

c) Hours spent in study and preparation of assignments will be considered when grading the paper
